A TeamLogic IT® franchise is an information technology business providing outsourced IT managed services targeted to small and medium-sized businesses via qualified technicians.

The total investment necessary to begin operation of a TeamLogic IT® franchised business is \$94,550 to \$142,800. This includes the \$45,000 initial fee that must be paid to the Franchisor or its affiliates.

This disclosure document summarizes certain provisions of your Franchise Agreement and other information in plain English. Read this disclosure document and all accompanying agreements carefully. You must receive this disclosure document at least 14 calendar days before you sign a binding agreement with, or make any payment to the Franchisor or an affiliate in connection with the proposed franchise sale or grant. **Note, however, that no government agency has verified the information contained in this document.**

The terms of your contract will govern your franchise relationship. Don't rely on the disclosure document alone to understand your contract. Read your entire contract carefully. Show your contract and this disclosure document to an advisor, like a lawyer or accountant.

Buying a franchise is a complex investment. The information in this disclosure document can help you make up your mind. More information on franchising, such as "A Consumer's Guide to Buying a Franchise," which can help you understand how to use this disclosure document, is available from the Federal Trade Commission. You can contact the FTC at 1-877-FTC-HELP or by writing to the FTC at 600 Pennsylvania Avenue, NW, Washington, DC 20580. You can also visit the FTC's home page at www.ftc.gov for additional information. Call your state agency or visit your public library for other sources of information on franchising.

STATE COVER PAGE

Your state may have a franchise law that requires a franchisor to register or file with a state franchise administrator before offering or selling in your state. REGISTRATION OF A FRANCHISE BY A STATE DOES NOT MEAN THAT THE STATE RECOMMENDS THE FRANCHISE OR HAS VERIFIED THE INFORMATION IN THIS DISCLOSURE DOCUMENT.

Call the state franchise administrator listed in Exhibit "H" for information about the Franchisor, or about franchising in your state.

MANY FRANCHISE AGREEMENTS DO NOT ALLOW YOU TO RENEW UNCONDITIONALLY AFTER THE INITIAL TERM EXPIRES. YOU MAY HAVE TO SIGN A NEW AGREEMENT WITH DIFFERENT TERMS AND CONDITIONS IN ORDER TO CONTINUE TO OPERATE YOUR BUSINESS. BEFORE YOU BUY, CONSIDER WHAT RIGHTS YOU HAVE TO RENEW YOUR FRANCHISE, IF ANY, AND WHAT TERMS YOU MIGHT HAVE TO ACCEPT IN ORDER TO RENEW.

Please consider the following RISK FACTORS before you buy this franchise:

1. THE FRANCHISE AGREEMENT PERMITS THE FRANCHISEE TO ARBITRATE/LITIGATE WITH THE FRANCHISOR ONLY IN THE STATE OF CALIFORNIA. OUT OF STATE ARBITRATION OR LITIGATION MAY FORCE YOU TO ACCEPT A LESS FAVORABLE SETTLEMENT FOR DISPUTES. IT MAY ALSO COST MORE TO ARBITRATE OR LITIGATE WITH THE FRANCHISOR IN CALIFORNIA THAN IN YOUR HOME STATE.
2. THE FRANCHISE AGREEMENT STATES THAT CALIFORNIA LAW GOVERNS THE AGREEMENT, AND THIS LAW MAY NOT PROVIDE THE SAME PROTECTIONS AND BENEFITS AS LOCAL LAW. YOU MAY WANT TO COMPARE THESE LAWS.
3. FRANCHISEE'S SPOUSE MUST SIGN A PERSONAL GUARANTY MAKING SUCH SPOUSE JOINTLY AND SEVERALLY LIABLE FOR ALL OBLIGATIONS OF THE FRANCHISE WHETHER OR NOT SUCH SPOUSE IS INVOLVED IN THE OPERATION OF THE FRANCHISE BUSINESS. THIS REQUIREMENT PLACES THE PERSONAL ASSETS OF THE FRANCHISE OWNER AND THEIR SPOUSE AT RISK.
4. THE FRANCHISOR HAS MINIMUM SALES PERFORMANCE STANDARDS THAT YOU MUST MAINTAIN AFTER THE FIRST YEAR OF OPERATION. THE FRANCHISOR HAS THE RIGHT TO TERMINATE YOUR FRANCHISE AGREEMENT IF YOU DO NOT MAINTAIN THESE REQUIREMENTS. YOU MAY WANT TO CONSIDER THIS WHEN MAKING A DECISION TO PURCHASE THIS FRANCHISE OPPORTUNITY.
5. THERE MAY BE OTHER RISKS CONCERNING THIS FRANCHISE.

We use the services of one or more franchise brokers or referral services to assist us in selling our franchise. A franchise broker or referral source represents us, not you. We pay this person a fee for selling our franchise or referring you to us. You should be sure to do your own investigation of the franchise.

Additional funds are also an estimate of the monies you will need on hand during the initial phase of the Business operations. We estimate that the amount given will be sufficient for a 6 to 8-month start-up phase. However, actual breakeven timing can vary based on many factors including how well you follow our systems, actual market conditions and demand, fixed costs, etc.

These figures are estimates only and it is possible to significantly exceed costs in any of the areas listed. We cannot guarantee that you will not have additional expenses starting the franchise. Your costs will depend upon such factors as how much you follow our methods and procedures; your management experience and skills. The area in which your Business is located; local economic conditions; prevailing wage rate; the physical size of a leased location; the amount of any tenant improvements required; and the sales level reached during the initial period. We relied on our 12 years of experience in the information technology business to compile these estimates and the working capital costs experienced by our franchisees. You should review these figures carefully with a business advisor before making any decision to purchase a Franchise.

ITEM 8. RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

You must buy or lease certain basic computer hardware and software described in Item 11 to adequately serve your clients' needs. The hardware may be purchased or leased from any source. All software is developed by third parties. We currently do not develop or license our own proprietary software to you but may do so in the future. We do not make any warranties or guaranties upon which you may rely and assume no liability or obligation to you, for any third-party software. The various software vendors may change from time to time.

There are no suppliers in which any of our officers own an interest.

The TeamLogic IT® Managed Services solution consists of a variety of integrated services including technology that will proactively monitor the clients' IT infrastructure, help detect problems, and provide remote control access. Additionally, the Network Operations Center (NOC) provides proactive technical support, the Help Desk/Service Desk provides reactive end-user technical support and activity management, and our Business Continuity solutions provide back-up disaster recovery and account management support. Our Managed Services solution provides reports on performance optimization of the clients' systems regardless of whether the clients' technology is premised-based, in the cloud or a combination (hybrid).

SystemWatch IT® is our branded managed services offering. In order to maintain consistency and integrity of our Managed Services solution, all core remote monitoring and management software agents (RMM agents), within the SystemWatch® IT bundle, must be purchased from and are payable to us. Upon prior approval, software agents can be purchased from an approved supplier we designate. You are also required to utilize a multi-factor authentication tool. The naming configuration/branding assigned to our Managed Services solution has no bearing on the requirement to purchase the software agents from us. If you want to use or sell any equivalent or subset of remote RMM agents, you are required to obtain our prior written approval, and we may require you to purchase the equivalent or subset tool from us. The Professional Services Automation software fees, which are described in Item 11, are also payable to us. Other hardware, software, and computer supplies may be purchased from any supplier.

We currently have only general criteria for approving suppliers and, conversely, revoking approval. In determining whether to approve a supplier or revoke approval, we consider the conformity of the

supplier's products to our needs, customer service, price, quality, and our and our franchisees' satisfaction with the supplier's product. We do not maintain written criteria for approving suppliers, and thus these criteria are not available to you or a proposed supplier. You may submit names of suppliers whom you would like us to approve. We will then evaluate the supplier and inform you within 90 days whether we have approved or disapproved the supplier. We do not charge you any fee to secure supplier approval. We may in the future negotiate purchase arrangements and price terms with some suppliers for your benefit.

We provide you with no material benefits based on your use of designated or approved suppliers, but doing so is one of your obligations under the Franchise Agreement.

Prior to opening your TeamLogic IT® Business, and at all times during the conduct of your TeamLogic IT® Business, you must have at least one qualified Technician. You may hire a Technician as an employee or use other resources, such as an independent contractor or an employment agency. The required purchase of a laptop, smartphones, and 3 software agents should account for less than 2-5% of all purchases and leases in establishing and operating your business on an ongoing basis, depending on the size of your customer base. Any other specifications or standards for operations are contained in the Operations Manual, which is periodically updated. You will be notified electronically of any updates and where they can be located.

We derive revenue from your purchase of SystemWatch IT Managed Services from us and your purchase of a portion of the software fees from us. A major emphasis is placed on marketing the TeamLogic IT® System. You will be provided a comprehensive set of advertising, marketing and sales materials at no additional cost for your local marketing use. These materials currently include local advertising materials and templates, sales call leave-behind materials, as well as sales tools, PowerPoint presentations and other sales materials.

Also, at no additional cost to you, we currently have marketing materials designed to help promote the SystemWatch IT® Managed Services including sales call leave-behind materials as well as proposal templates. You will be provided with an Initial 12-Month Marketing Program consisting currently of direct mail, telemarketing, search engine marketing, and email marketing, subject to change. You must sign up for this Initial 12-Month Marketing Program directly with our approved vendors using a credit card. For the first 3 months, we will pay the cost of this Marketing Program and you will not be required to spend the minimum \$2,000 per month on local marketing described in section 6.4 of the Franchise Agreement. You must pay the cost for the remaining 9 months of this Marketing Program, which cost ranges from \$2,000 to \$2,400 per month which satisfies your obligation to spend a minimum of \$2,000 per month on local advertising.

After the Initial 12-Month Marketing Program is completed, you are required to spend a minimum of \$2,000 per month on local marketing.

There are several other optional marketing tools and programs that are available for various charges including advertising promotional products, and an extensive line of TeamLogic IT® apparel. The costs of these items vary and are optional.

We maintain, for your benefit, a network-wide Internet presence at www.TeamLogicIT.com. The primary purpose of this website is to build awareness of the capabilities of the TeamLogic IT® network, serve as a business locator so potential clients can locate the nearest TeamLogic IT® business, and drive prospective sales leads to your business. A website URL will be assigned to you and a standard TeamLogic IT® website will be created for your TeamLogic IT® Business and will be linked and available from our master website (www.TeamLogicIT.com). You are not authorized to maintain a separate website for your business without prior written approval from us. You may not buy a domain name to direct web traffic to your TeamLogic IT® website or otherwise. Our internet and website terms are described in further detail in the Franchise Agreement, section 6.13.

We have a network advertising program to promote the TeamLogic IT® brand on a national basis (Network Advertising Program). The Network Advertising Program will be funded through a network advertising fund paid by all TeamLogic IT® Franchisees ("Ad Fund"). We do not contribute to this Ad Fund. You must pay monthly advertising fees to the Ad Fund of 1.2% of your weekly gross sales, with a minimum payment of \$200 per month. The advertising fees are deposited into a separate bank account that

we administer. Any Franchisor-owned units will contribute the same basis as franchisees. The Ad Fund will be used to support the advertising, marketing, public relations and sales activities of the network, as well as the development and maintenance of the network websites. The Network Advertising Program is created for national presence, and is not geared for any specific local or regional area, although certain activities may have presence in some areas more than in others. We are not required to spend any particular amount on advertising in any particular franchisee's territory.

All print advertising materials and collateral for the TeamLogic IT® Network Advertising Program are currently created by an affiliate of ours, Summit Marketing Communications, Inc. ("Summit"). Although we are not currently using any Network Advertising Program funds to purchase radio or television media advertising, if and when we do, we will utilize the services of Summit to do so. When Summit purchases radio or television media advertising on our behalf, they will generate typical advertising commissions for the placement of media and for creative development.

We allocate 100% of the Ad Fund revenue to the Network Advertising Program and reserve the right to allocate no more than 20% of the Ad Fund revenue for general administrative expenses. Of the Ad Fund expenditures in 2017, 35% was spent on Lead Nurturing, 17% on the web site, 10% on channel marketing, 9% on printing, 8% on content marketing, 8% on search & display, 6% on public relations and 7% on other expenses (including research). The Ad Fund does not otherwise benefit us or any affiliate. Ad Fund fees not spent in the fiscal year in which they were collected will be carried over to the next fiscal year. We will send you an unaudited annual financial statement for the Ad Fund.

You may create and utilize your own independent advertising materials with our prior review and approval.

We have an Owners' Marketing Advisory Council ("OMAC") for the purpose of consulting our advertising, marketing and sales programs. There are four franchisee members that serve 2-year terms on OMAC. OMAC members serve in an advisory capacity and may be changed at our discretion.

COOPERATIVE ADVERTISING

Franchisees in the same geographic area may form a local Advertising Cooperative Association ("ACA") to conduct cooperative local advertising. If a majority of the Franchisees in your area want to form an ACA, you must join and contribute dues agreed to by the majority. We will not be a member, but will act in an advisory capacity. Any company-owned TeamLogic IT® Business located in the designated geographic area will also contribute dues. Geographic areas are defined by the Dominate Market Area ("DMA") as may be defined by the radio and television industries. The ACA members themselves administer the ACA, create the ACA rules and enforce those rules. (Generally, an ACA will have formal Bylaws and Articles of Association prepared, but these are not required by us for an ACA formation.) We will recognize an ACA upon a majority of signatures of Franchisees in the area and will provide consultation and advice concerning cooperative advertising in the area. We cannot form, change or dissolve an ACA without a majority vote of that ACA's members. ACA's are not required to prepare annual financial statements. If there is an ACA in existence in your prospective area, you must join it and should obtain information concerning dues and advertising benefits. ACA dues are determined by the members and can range from \$50 to \$500 per month.

COMPUTER REQUIREMENTS

When you start your new TeamLogic IT® Business, you are required to have several pieces of computer equipment for you and your technicians to effectively operate your business.

At the onset of your Business, you are required to have a minimum of three computers, including at least one laptop. These can be one workstation and one laptop or two laptop computers. One is meant to remain with the owner at the Business and one stays with each Technician in the field for dealings with the clients. You will need to scale this inventory and add a laptop for each technician you hire. In addition, each technician that is hired must have a smartphone. The other equipment that the Business will need is a telephone system that is capable of forwarding calls to remote numbers and is equipped with a voicemail system that can be easily accessed from the field. This equipment can be obtained from any source. You must upgrade such equipment whenever necessary in order to maintain adherence to the specifications set out by us. The cost for the computer equipment may range from \$3,000 to \$5,000. Overall cost for the upgrades or maintenance fees may range from \$0 to \$3,000.

You are also required to obtain our approved Professional Services Automation software through us to operate, record and manage your business activity. The monthly fees for the Professional Services Automation software are payable to us. This software is developed by a third party. We do not make any warranties or guaranties upon which you may rely, and assume no liability or obligation to you, for any third-party software.

We will have electronic access to most operational aspects of your Business through this software, including client identity, appointments, invoicing and technician scheduling. Although there are no contractual limits imposed on our access to this information, we will not use the information gained through this software for any purposes not related to your Business or the TeamLogic IT® System.

SITE SELECTION

You are required to lease office space for the Business in your territory. When you obtain (by lease, purchase or otherwise) a business site for your TeamLogic IT® Business, it must be within your Territory (as defined below), and we will provide you with site selection approval. We will consider zoning, signage requirements, traffic flow, parking, site size, the general location and neighborhood and nearness to customers, and proximity to other TeamLogic IT® Businesses. We will use our best efforts to approve or disapprove your selected site within 14 days from the date you submit a prospective site for approval. If signage is allowed at the location, the TeamLogic IT® name and logo should be displayed following our signage guidelines. We do not ensure or warrant that your Business will be profitable at a location utilizing our guidelines, or at any location. You must open the Business within 90 days of the date your Franchise Agreement is signed or we may terminate the Franchise Agreement. We estimate that the typical length of time between the signing of the Franchise Agreement and the opening of your Business is 60 to 90 days. Factors affecting time to open include attendance at and satisfactory completion of our Initial Training Program, arranging for any financing, complying with local ordinances, installation of equipment, and obtaining a satisfactory business location.

ITEM 12. TERRITORY

We will grant you the right to operate a TeamLogic IT® franchise in a specific geographical area we outline based on the number of businesses, up to 1,500 to 2,000 of the type that we expect to be potential clients of TeamLogic IT®, and this geographic area will be designated as your Territory. We currently use a business list provider to obtain these business counts but may use a different source in the future. We have the right to terminate your Franchise Agreement if you do not maintain Gross Sales greater than two thousand five hundred dollars (\$2,500) per week for twelve consecutive weeks (except during the first twelve (12) months of operation). There are no circumstances under which we may modify your Territory without your consent.

The Franchise Agreement grants you a license for a single TeamLogic IT® Business which can be operated from a single business location (or any approved business relocation) within your Territory. Your Territory is not a limitation on your marketing, or on the clients you may serve, and other franchisees may service clients in your Territory. There are no limits on your right to use other channels of distribution, such as the internet, catalog, telemarketing, or other direct marketing outside of your Territory.

We will not, during the term of the Franchise Agreement, establish, own or operate, or grant a franchise for another person to own or operate another TeamLogic IT® Business within your Territory. Upon prior written consent by us, it may be possible for you to acquire additional TeamLogic IT franchise(s) for an Initial Fee of \$30,000, subject to the terms of the then-current franchise agreement.

We and our affiliates have and retain the right to directly or indirectly market within or outside of your Territory, products and/or services that are not sold through TeamLogic IT® Businesses, whether or not they use the Marks without compensation to you. We currently have no present intention to market or sell TeamLogic IT® products or services, which are offered at your TeamLogic IT® Business, inside your territory through alternative means of distribution (including the Internet) in the future.

It is possible that we, or an affiliate may in the future, acquire or be acquired by, a competing chain of locations offering the same or similar services as those offered by a TeamLogic IT® Business. Should this happen, there may be a location of the acquired brand already existing in your Territory, and we reserve the right to maintain that other brand location, however we will not open or franchise any additional locations of the other brand in your Territory.

On December 31, 2016, there were 108 TeamLogic IT Businesses open and in operation in the United States. These are all franchised units. To-date and since its inception, there has neither been a company

owned outlet, nor a company managed outlet. To qualify for this financial performance representation ("FPR"), a Business must have been open for a minimum of 24 months on December 31, 2016 and provided the Company with a sufficient financial statement, or have been opened by an existing owner prior to December 31, 2016,

In 2015, 28 new Businesses opened in the United States, 2 of which were opened by existing owners; the remaining 26 locations are not eligible for this FPR. In 2016, 29 new Businesses opened in the United States, 3 of which were opened by existing owners; the remaining 26 locations are not eligible for this FPR. Of the 56 Businesses that were open in the United States prior to 2015, 28 franchisees reported sufficient 2016 financial statements to be included in this FPR. 3 of these franchisees have opened an additional 10 locations, and as a result there are a total of 38 Businesses included in this FPR. Included in this FPR are these 38 Business, which represent 68% of the 56 Businesses that were eligible for this FPR. Since 2016, and through December 31, 2017, none of these 38 Businesses have closed.

+2	Open in 2015 by existing owners
-29	Open in 2016

25	A single location owned by a single owner
3	Initial location for owners with multiple locations
10	<u>Additional locations opened by these 3 owners</u>
38	Total locations in the FPR

For those 3 owners that own multiple Businesses, this FPR uses the combined financial data of each owner, then divides each line item by the number of Businesses they owned on December 31, 2016. For example, if an owner has 2 (two) Businesses and reported a combined \$100 for Hourly services sales, this FPR will show 2 (two) Businesses, each with Hourly service sales of \$50. The same calculation was performed for each line item in this FPR.

These 38 locations opened in these years. The year a multiple location was opened by an existing owner is also identified.

For example, if there are 13 data points, the Median is the middle or 7th largest figure reported in the data set. When there is an even number of data points, the Median is the average of the 2 data points in the middle of the data range. For example, if there are 38 data points, the Median is the average of the 19th largest reported data point and the 20th largest reported data point.
- Net Owners Compensation ("NOC"): this is the Gross Margin less the expenses in SG&A. It will include payments to the owner, including consulting fees, salary, related payroll taxes and benefits or reimbursement for personal items.

(1) Disclosure for "2016 Average for owners with multiple locations" column

On December 31, 2016 there were 3 franchise owners that opened 10 (ten) additional locations, which are called multiple, or multiples for this FPR. On December 31, 2016 these 3 owners owned a total of 13 locations. The data in this column is the combined total of their 2016 sales, divided by their 13 locations.

The "% of sales" is the percentage of each line item divided by the Gross Sales amount.

The column titled "number of locations that exceeded this average \$" is the number of locations whose data that exceeded the average. If an owner with 5 total locations whose calculated average for each 5 was the only amount that exceeded the average, then the figure in this column will show 5. The calculated % will be 38%, or 5 divided by the 13 total locations (multiple and original).

(2) Disclosure for the “Median by line item” column for owners with multiple locations

This amount is the median amount for the individual line items (see Median above). As there are 13 total locations, the median is that number where there are an equal number greater than the median (6) as there are less than the median (6), or the 7th largest.

There are no subtotals in this column as statistically a subtotal of median data is not relevant.

The column showing “Median subtotals for all data” is the Median data point for the calculated subtotals from these 13 locations.

(3) Disclosure for the “2016 Highest number per line item” column

The individual line items are the highest value for each line item of the 13 locations used in this FPR. Each subtotal is the sum of the individual highest line items in this column.

(4) Disclosure for the “2016 Lowest number per line item” column

The individual line items are the lowest value for each line item of the 13 locations used in this FPR. Each subtotal is the sum of the individual highest line items in this column.

(5) Disclosure for “2016 Average” column for owners with a single location

On December 31, 2016 there were 25 franchise owners that each owned an individual location.. The data in this column is the combined total of the 25 individual 2016 financial statements provided by these owners, divided by the 25 locations.

The “% of sales” is the percentage of each line item divided by the Gross Sales amount.

The column titled “number of locations that exceeded this average \$” is the number of individual locations financial statement data exceeded the average for each line item. The % on each line item is the number of locations that exceeded the average, divided by the 25 locations. For example, if 10 individual locations had Managed Services sales greater than the average of \$269.8k, this % would be 40% (=10/25).

(6) Disclosure for the “Median by line item” column

This amount is the median amount for the individual line items (see Median above). As there are 25 total locations, the median is that number where there are an equal number greater than the median (12) as there are less than the median (12).

There are no subtotals in this column as statistically a subtotal of median data is not relevant.

The column showing “Median subtotals for all data” is the Median data point for the calculated subtotals from these 25 locations.

(7) Disclosure for the “2016 Highest number per line item” column

The individual line items are the highest value for each line item from the individual 25 locations used in this FPR. Each subtotal is the sum of the individual highest line items in this column.

(8) Disclosure for the “2016 Lowest number per line item” column

The individual line items are the lowest value for each line item of the individual 25 locations used in this FPR. Each subtotal is the sum of the individual highest line items in this column.

(9) Disclosure for “2016 Average” column

(9) Disclosure for 2016 Average column

The total number of locations that were eligible and that provided sufficient financial statements was 38; 25 owners with an individual location and 3 owners that combined to own 13 locations. The data in this column is the combined total of the 2016 financial statements provided by these owners, divided by the 38 locations.

The “% of sales” is the percentage of each line item divided by the Gross sales amount.

The column titled “number of locations that exceeded this average \$” is the number of individual locations financial statement data exceeded the average for each line item. The % on each line item is the number of locations that exceeded the average, divided by the 38 locations. For example, if 21 locations (single location plus multiple locations as defined above) had Managed Services sales greater than the average of \$329.9, this % would be 55% (=21/38).

(10) Disclosure for the “Median by line item” column

This amount is the median amount for the individual line items (see Median above). As there are 38 total locations, the median is the average of the data point that is the 19th largest sequential data point (19 data elements) and the 20 largest data point (19 data points).

There are no subtotals in this column as statistically a subtotal of median data is not relevant.

The column showing “Median subtotals for all data” is the Median data point for the calculated subtotals from these 38 locations.

INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
TeamLogic, Inc.

We have audited the accompanying financial statements of TeamLogic, Inc., a wholly owned subsidiary of Franchise Services, Inc., (the "Company"), which comprise the balance sheets as of December 31, 2017, 2016, and 2015, and the related statements of operations, changes in stockholder's equity, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2017, 2016, and 2015, and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As described more fully in Note A(3), the Parent company has committed to provide financial support to the Company, such that the Company will be able to meet its obligations as they come due through March 31, 2019.

NOTE A: Nature Of Business And Summary Of Significant Accounting Policies -
(Continued)

- (3) Financial Statement Presentation – The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Financial Accounting Standard Board ("FASB") Accounting Standards Codification ("ASC") 810-10, "*Consolidation*" addresses the consolidation of an entity whose equity holders either (a) have not provided sufficient equity at risk to allow the entity to finance its own activities or (b) do not possess certain characteristics of a controlling financial interest. FASB ASC 810-10 requires the consolidation of such an entity, known as a variable interest entity (VIE), by the primary beneficiary of the entity. The primary beneficiary is the entity, if any, that is obligated to absorb a majority of the risk of loss from the VIE's activities, entitled to receive a majority of the VIE's residual returns, or both. The principal type of entities in which the Company would possess a variable interest includes franchise entities. The Company does not possess any ownership interests in franchise entities. Additionally, the Company does not provide financial support to franchise entities in a typical franchise relationship. As a result, the Company did not consolidate any franchise entities.

The Company manages a network advertising fund "Ad Fund" in which its franchisees make contributions. The Company reports all assets and liabilities of the Ad Fund as "Prepaid Expenses And Other Current Assets" and "Accounts Payable And Accrued Expenses" in the accompanying "Balance Sheets." The contributions to this Ad Fund are both designated to and segregated for advertising, the Company administers the Ad Fund. Thus, in accordance with FASB ASC 952-605, *Franchisors*, the Company does not reflect, and has not reflected in the past, franchisee contributions to this Ad Fund in the accompanying "Statements of Operations."

The financial statements have been presented on the basis that the Company will continue as a going concern, which contemplates the realization of assets and the satisfaction of liabilities in the normal course of business. The financial statements do not give effect to any adjustments that might be necessary if the Company were unable to meet its obligations or continue operations. The Parent has unconditionally committed to provide financial support to the Company such that the Company will be able to meet its obligations as they come due, through March 31, 2019.

improvements and betterments are capitalized. Maintenance and repairs are expensed as incurred. Property and equipment are depreciated over estimated useful lives of 3 to 10 years. Depreciation is computed using straight-line method for financial purposes and accelerated methods for income tax purposes. Depreciation expense for the years ended December 31, 2017, 2016, and 2015 totaled \$19,000, \$12,000, and \$13,000, respectively.

- (6) Revenue Recognition – The Company's revenue includes initial franchise fees, continuing franchise fees, and other revenue relating to various managed services.

The initial franchise fee is \$40,000 for a new franchise, \$35,000 for eligible veterans, \$30,000 for any subsequent franchises opened by the same franchisee, and \$40,000 for a conversion franchise. When an individual franchise is sold, the Company agrees to provide certain services to the franchisee. Any expected revenues for pre-opening services that have not been fully performed at year-end, are recorded as "Deferred Revenue." Deferment of initial fees required in 2017 is not necessarily an indication that deferment of fees will occur in 2018. At December 31, 2017, 2016, and 2015, the amount of deferred revenue was \$160,000, \$40,000 and \$120,000, respectively.

The Company collects continuing franchise fees from its franchisees based on the greater of a fixed amount or a percentage of their reported sales. Continuing franchise and other fees are recorded as revenue when received.

The Company collects fees for managed services from its franchisees based on the numbers of licenses used. Fees from managed services are recorded as revenue when received.

The total number of new franchises opened during 2017, 2016 and 2015 was 38, 29 and 29, respectively. The Company does not have any franchisor-owned units during these years. The Company had 136 operating franchise locations at December 31, 2017.

NOTE A: Nature Of Business And Summary Of Significant Accounting Policies -

- (7) Income Taxes – For federal tax purposes, an election was made to treat the Company and its Parent (Franchise Services, Inc.) as Qualified Subchapter S Subsidiaries (QSSS). As a QSSS, the Company and its Parent are not treated as separate corporations and all assets, liabilities, items of income, deduction, and credit of the Company and its Parent are treated as assets, liabilities, items of income, deduction, and credit of the parent of Franchise Services, Inc.

The Company provides for state taxes for various jurisdictions that either treat the Company as a separate corporation or impose a franchise tax.

- (8) Long-Lived Assets – The Company accounts for impairment and disposition of long-lived assets in accordance with FASB ASC 360-10, "*Property, Plant, and Equipment*." FASB ASC 360-10 requires impairment losses to be recognized for long-lived assets used in operations when indicators of impairment are present

and the undiscounted future cash flows are not sufficient to recover the assets' carrying amount. There was no impairment of the value of such assets for the years ended December 31, 2017, 2016, and 2015.

- (9) Advertising Costs - Advertising and promotional costs are charged to operations when incurred. Advertising and promotional costs totaled \$258,000, \$247,000 and \$219,000, for the years ended December 31, 2017, 2016, and 2015, respectively. Advertising and promotional costs are included in "Selling, General And Administrative" expenses in the accompanying "Statements Of Operations".
- (10) Use Of Estimates - The process of preparing financial statements in conformity with generally accepted accounting principles requires the use of estimates and assumptions regarding certain types of assets, liabilities, revenues, and expenses. Such estimates primarily relate to unsettled transactions and events as of the date of the financial statements. Accordingly, upon settlement, actual results may differ from estimated amounts.

construction and software industries. The ASU core principle is to recognize revenue to depict the transfer of goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. ASU 2014-09 was effective for nonpublic entities for years beginning after December 15, 2017, and interim periods within years beginning after December 15, 2018. Early adoption was permitted for years beginning after December 15, 2016.

In August 2015, the FASB issued ASU No. 2015-14, "*Revenue from Contracts with Customers (Topic 606)*", which defers the effective date of ASU 2014-09 by one year. As such, nonpublic entities would apply the standards to years beginning after December 15, 2018, and to interim periods within years beginning after December 15, 2019. The FASB also tentatively decided to allow entities to adopt the ASU early, but no earlier than years beginning after December 15, 2016. The Company is currently evaluating the impact of the provisions of ASU 2014-09 and 2015-14 on the presentation of its financial statements.

In February 2016, the FASB issued ASU 2016-02, "*Leases (Topic 842)*". ASU 2016-02 requires the recognition of lease assets and lease liabilities by lessees for those leases classified as operating leases under previous standards. For leases with a term of 12 months or less, a lessee is permitted to make an accounting policy election by class of asset not to recognize lease assets and lease liabilities. ASU 2016-02 is effective for fiscal years beginning after December 15, 2019, early application is permitted. The Company is currently evaluating the impact of the provisions of ASU 2016-02 on the presentation of its financial statements.

R E C I T A L S

A. B. Franchisor grants to persons that meet Franchisor’s qualifications, and are willing to undertake the investment and effort, a franchise to operate a TeamLogic IT® Business (as defined in Section 1 hereof) and to utilize the System.

C. Franchisor is the sole and exclusive owner of all proprietary and other rights and interests in and to the trade names and trademarks, “TeamLogic IT®,” and all other names, phrases and logos associated with or having acquired a secondary meaning by use with the TeamLogic IT® network and all variations, similarities and likenesses together with signs, emblems, insignia, color schemes and patterns used and/or associated with, or as part of, the TeamLogic IT® System; Franchisor also owns proprietary rights in a number of trade secrets such as operations manuals, instruction materials, compilations, vendor terms and contact information, information, knowledge and know-how, business and marketing processes and methods; and

D. Franchisee desires to acquire the right to become a part of the TeamLogic IT® network and use the TeamLogic IT® System, trademarks, trade names and trade secrets in connection with the operation of a TeamLogic IT® Business.

Acknowledging the above recitals, the parties mutually agree as follows:

SECTION I. DEFINITIONS

1. The following terms shall have the following meanings when they appear capitalized in this Agreement.

Business – The term “Business” shall mean the business operations of the TeamLogic IT® Franchise subject to this Franchise Agreement.

Client Management Tools – The term “Client Management Tools” shall mean the collection of any and all software systems and other online or offline data repositories that store customer information and data including client’s contact information, sales information, service history, and more.

Core Services – Franchisor will maintain a list of the products and services that are considered to be standard and that all TeamLogic IT® Franchisees must offer their clients, “Core Services.” This list will be used for marketing materials and sales efforts. It is the responsibility of the Franchisee to ensure that they have the technical skills on staff to perform all Core Services. This list may be modified from time to time.

Franchisee Intranet Site – The Franchisee Intranet Site supports the business operations of TeamLogic IT® franchisees. This site facilitates communication between the franchisees and franchisor. It is a repository for documentation, articles and forms related to all aspects of a TeamLogic IT® Business that a franchisee may need from time-to-time and is accessible 24/7/365. The components making up the Franchisee Intranet Site may be modified or changed by Franchisor as needed.

Gross Sales – Except as provided below, the term “Gross Sales” shall mean all sales by your Business (for all services, labor charges related to the installation of hardware or software, including buyouts), revenues from all System Watch IT® Managed Services, Core and Non-Core Services, whether for cash, check, credit, financed, leased or barter, and without deduction for failure to collect. 2.1 Grant of Franchise. Subject to the terms of this Agreement, Franchisor hereby grants and the Franchisee does hereby accept a franchise to operate one (1) TeamLogic IT® Business office space within Franchisee's territory throughout the term of this Agreement. Franchisee further agrees to continuously operate the Business only under the brand name TeamLogic IT® throughout the term of this Agreement, and will not operate any other business under any other trademark, service mark, name or license, except that of a TeamLogic IT® Business, at said franchised location during the term of this Agreement, without prior authorization from Franchisor.

The minimum monthly fee of two hundred dollars (\$200) is waived for the first six (6) months of operation, subject to Section 3.6, (beginning the first day after the first full month following completion of training or sooner, or the month the Franchisee takes over the business ownership). These amounts will be deposited in an Advertising Fund and used by the Franchisor to conduct advertising, public relations, and promotional programs designed to develop brand awareness and build sales volumes of all TeamLogic IT® Businesses on a Network-wide basis and not in any specific geographic area. Methods and media employed, contents of advertising, and terms and conditions of advertising campaigns and promotional programs shall be within the sole discretion of Franchisor. Franchisee shall not offset any advertising fees based upon Franchisee's dislike or non-use of the marketing and advertising programs and materials created from the Network-wide Advertising Fund. No offset is permitted against advertising fees for amounts due or allegedly due Franchisor by Franchisee. Franchisor does not guarantee that the Network-wide advertising will appear in Franchisee's geographic area in proportion to Franchisee's specific contributions in any given year. The purpose of the Advertising Fund is to promote the brand on a national basis. Franchisor reserves the right to allocate no more than 20% of the Advertising Fund revenue for its general administrative expenses, including, without limitation, collection agency fees and expenses incurred in collecting the Funds from past and present franchisees.

3.5 SystemWatch IT® Managed Services Fees. As of 2017, fees paid to Franchisor range from six dollars (\$6) down to three dollars (\$3) per RMM agent per month depending on volume, and may change from time to time. In order to maintain consistency and integrity of Franchisor's managed services solution, all core

This arbitration provision shall survive the expiration or earlier termination of this Agreement.

a. Arbitrator. There shall be a single arbitrator who shall be an existing or former judge of a court of record within the United States or an attorney in good standing admitted to practice for a period of at least ten (10) years within the United States. A corporation/limited liability company to which an individual Franchisee has transferred some or all of the assets comprising the TeamLogic IT® Business shall be considered either a joint Franchisee or successor Franchisee (at Franchisor's option) and bound by this arbitration agreement.

b. Location. The site of the arbitration shall be in Orange County, California.

c. Absence of party. The arbitration may proceed in the absence of either party, providing that notice of the filing of the arbitration has been sent to the other party in accordance with this Agreement.

d. Decision/Jurisdiction. The decision of the arbitrator shall be final and binding upon the parties, and judgment upon the award rendered by the arbitrator, may be entered in any court having jurisdiction thereof. Franchisee hereby consents to California personal jurisdiction for himself and any

corporation owning some or all of the assets of the TeamLogic IT® Business, and hereby consents to service of process by way of certified mail, return receipt requested, or by recognized courier (such as FedEx or UPS) sent to the TeamLogic IT® Business location, signed by a duly employed employee of Franchisee, or by personal service or by substitute service in accordance with California law. The parties agree that punitive damages shall not be available as a remedy for a breach of this Agreement or any dispute relating to this Agreement.

e. Fees. If any party commences an action, either arbitration or court proceedings, against any other party arising out of or in connection with this Franchise Agreement, the prevailing party or parties shall be entitled from the losing party or parties, both attorney's fees and costs of the arbitration and/or suit as part of the judgment rendered, along with attorney's fees and costs incurred in enforcing any such judgment.

f. Trademarks. Notwithstanding the above, the arbitrator shall have no power or authority to diminish Franchisor's complete and exclusive right, title and interest in its patents, trademarks, service marks, trade names, copyrights and other trade secrets, or to vary the terms, condition or payments which Franchisor has designated for licensing the same.

12.2 This section shall survive and remain in full force and effect subsequent to termination or expiration of this Agreement.

12.3 Except where contrary to a specific law in Franchisee's state, written notice of any alleged default by Franchisor of this Agreement must be given by Franchisee to Franchisor within eighteen (18) months of the alleged default or Franchisee is precluded from raising such alleged default thereafter in any proceeding involving Franchisor or Franchisee. Franchisor and Franchisee both hereby waive the right to assert the principles of collateral estoppel in any action between them. Franchisor and Franchisee hereby waive any right to a jury trial.

SECTION XIII. MISCELLANEOUS

13. The parties further agree as follows:

a. Independence of Franchisee/Indemnity. Franchisee is, and shall be at all times during the term of this Agreement, an independent contractor and not an agent or employee of the Franchisor. The Franchisee is not a partner or joint venturer with the Franchisor. This Agreement does not create a fiduciary relationship between the parties. Franchisee is solely responsible for the day-to-day control of Franchisee's TeamLogic IT® Business. Neither Franchisee nor any of Franchisee's employees are in any way, directly or indirectly, expressly or by implication, to be construed to be Franchisor's employees for any purpose. Franchisee is solely responsible for all terms of employment of Franchisee's employees and personnel. Any requirements, restrictions or specifications which Franchisee is required to comply with under this Agreement, whether set forth in the Operations Manual or otherwise, do not directly or indirectly constitute, suggest, infer or imply that Franchisor controls any aspect or element of the day-to-day operations of the Business, which Franchisee alone controls, but only constitute standards Franchisee must adhere to when exercising Franchisee's control of the day-to-day operations of Franchisee's Business. Franchisee shall defend, indemnify and hold harmless Franchisor, its affiliates, and their respective shareholders, directors, officers, employees, representatives, and agents from and against any and all actions, causes of actions, claims, suits, fines, demands, losses, liabilities, costs, and fees (including attorney fees) of any kind arising out of or in connection with Franchisee's TeamLogic IT® Business, including but not limited to personal

injury, property damage, violation of the rights of others, negligent or intentional corruption of data, joint employer liability issues, or any wrongful use of System, Proprietary Information or other Franchisor-owned material by electronic medium or otherwise.

b. Abandonment or Surrender by Franchisee/Close of Business. If Franchisee shall, for any reason, abandon (as defined in Section 10.2d above) or surrender all or any part of its rights and privileges under this Agreement, all such rights shall revert to the Franchisor. However, Franchisee shall not have the right to abandon its obligations under this Agreement. .

c. Waiver. No delay, waiver, omission or forbearance on the part of Franchisor to exercise any right, option or power arising out of any breach or default by Franchisee, or by any other Franchisee, of any of the terms, provisions or covenants contained herein, shall constitute a waiver by Franchisor thereof to enforce any such right, option or power as against Franchisee, or as to a subsequent breach or default by Franchisee.

d. Severability. Should any provision of the Agreement for any reason be construed or declared to be invalid, such decision shall not affect the validity of any remaining portion, which remaining portion

shall remain in full force and effect as if this Agreement had been executed with such invalid portion eliminated.

e. Right of Successors. The Franchisor has the right to assign the Franchise Agreement and all its rights and privileges thereunder, to any other person, firm, or corporation, provided that the assignee is financially responsible and economically capable of performing the obligations of the Franchisor. The Assignee must also assume and agree to perform all obligations of the Franchisor under the Franchise Agreement. The Franchisee's consent is not required for any such assignment.

f. Previous Agreements and Representations. Upon execution of this Agreement by both parties, all previous agreements, contracts, arrangements or understandings of any kind relative to the franchise herein granted are canceled and all claims and demands thereon are fully satisfied.

g. No Representations. No agent or representative of Franchisor has authority to make any representations, statements, warranties, or agreements not herein expressed and Franchisee agrees that no such representations, statements, warranties or agreements have been made, or if made, that no reliance thereon has been considered in the signing of this Agreement.

h. Notice. Whenever, under the terms of this Agreement, notice is required, the same shall be given in writing and delivered personally or by certified mail (postage prepaid) or by recognized courier (UPS, FedEx). Notice shall be deemed delivered three (3) business days after notice has been sent by certified mail (whether or not the return receipt has been returned to the sender) and deemed delivered by courier when delivered to the recipient or his/her/its agent, representative, spouse or employee. All such notices intended for the Franchisor shall be addressed to it at:

TeamLogic, Inc. / Attn: President
26722 Plaza
Mission Viejo, California 92691

or as may be designated in writing by Franchisor. Notice to Franchisee shall be directed to the Business address or to the Franchisee's home address.

i. Terminology and Construction. All terms and words used in this Agreement regardless of the number and gender in which they are used, shall be deemed and construed to include any other number, singular and plural, and any other gender, masculine, feminine or neuter, as the context or sense of this Agreement or any section, paragraph or clause herein may require, as if such words had been fully and properly written in the appropriate number and gender. If Franchisee consists of two (2) or more individuals or entities, such individuals and/or entities shall be jointly and severally liable hereunder.

j. Entire Agreement; Modification. The Franchise Agreement and the accompanying Disclosure Document together contain the entire Agreement of the parties and there are no representations, inducements, promises, or agreements, other than those duly executed in writing. This or any other agreement of any kind or any addendum or exhibit, amending, altering or changing the context of any portion hereof, shall not be binding unless it is executed by an appropriate officer at TeamLogic IT® Corporate offices and by Franchisee or Franchisee's representative. Certain aspects of the franchise relationship may be affected by changes in the Franchisor's Operations Manuals. The Franchisor may make such modifications without Franchisee's approval, so long as they are reasonable and apply uniformly to all Franchisees. Nothing in this or in any related agreement, however, is intended to disclaim the

representations we made in the franchise disclosure document that we furnished to you.

k. Performance, Applicable Law and Forum. It is stipulated this Agreement has been negotiated, executed and delivered within the State of California and is to be performed at Franchisor's offices in the County of Orange, California. Except as otherwise provided for hereunder, this Agreement shall be interpreted and the rights and obligations of the parties hereunder governed in accordance with the laws of the State of California, except for Section 10.3(f) of this Agreement which shall be governed by the laws of the State where the TeamLogic IT® Business is located.

l. Headings. The headings of the paragraphs herein are inserted for convenience only and are not intended to be construed as part of the Agreement or to limit the scope of a particular paragraph.

m. Signature. This Agreement may be originally signed by an individual if unmarried or if married, individuals and their spouses as the Franchisee, or if signed by a Corporation or Limited Liability Company ("LLC"), must be personally guaranteed by the shareholders/members and their spouses. It is acknowledged that should an individual Franchisee subsequently transfer some or all of the assets of the TeamLogic IT® Business to a corporation/LLC, then Franchisee agrees that such corporation/LLC shall be considered either a joint or successor Franchisee (at Franchisor's option) to this Franchise Agreement, and shall, along with all shareholders/members, be bound hereby, as if the corporation/LLC and shareholders/members each executed this Agreement.

n. Warranty as to Original Document. Franchisee hereby warrants that he has not caused any electronic modification, scanning or manipulations of the Franchise Agreement received from Franchisor and that this document is the same document received from Franchisor, and agrees that any such modifications or manipulation shall be void.

SECTION XIV. ACKNOWLEDGEMENTS AND SIGNING

Acknowledgements. Franchisee acknowledges and agrees that:

14.1 Risk. Purchasing a franchise in the business to be operated under this Agreement involves business risks. I am assuming those risks and understand that my active participation in the TeamLogic IT® Business is vital to its success.

14.2 Information from Representatives/Earnings Claims. In accordance with Maryland Law, Item 17, the appropriate sections of the Franchise Agreement are amended to state that the general release required as a condition of renewal, sale, and/or assignment/transfer shall not apply to any liability under the Maryland Franchise Registration and Disclosure Law.

Previous Agreements and Representations, Sections 13f and g Franchise Agreement

Acknowledgement, Section 14 Franchise Agreement

The Maryland Franchise Registration and Disclosure Law prohibits a franchisor from requiring a prospective franchisee to assent to any release, estoppel or waiver of liability as a condition of purchasing a franchise. This amends Section 14 of the Franchise Agreement.

Arbitration

Item 17 Disclosure Document; Section 12 Franchise Agreement

Except for claims arising under the Maryland Franchise Registration and Disclosure Law, the franchisee must sue/arbitrate in California.

Item 17 of the Disclosure Document and Section 12.3 of the Franchise Agreement are amended to state that any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within three (3) years after the grant of the franchise.

Renewal, Termination, Transfer and Dispute Resolution

Item 17 Disclosure Document

Michigan

The State of Michigan prohibits certain unfair provisions that are sometimes in franchise documents. If any of the following provisions are in these franchise documents, the provisions are void and cannot be enforced against you.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- a. A prohibition on the right of a franchisee to join an association of franchisees.
- b. A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- c. A provision that permits a franchisor to terminate a franchise before the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- d. A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- e. A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- f. A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- g. A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

4

- (i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.
 - (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
 - (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.
- h. A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does

this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

- i. A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the attorney general does not constitute approval, recommendation, or endorsement by the attorney general.

Any questions regarding this notice should be directed to: State of Michigan, Department of Attorney General, Consumer Protection Division, Franchise and Antitrust Unit, PO Box 30213, Lansing, MI 48909 - (517) 373-7117.

Washington

Rider

The State of Washington has a statute, RCW 19.100.180 which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. These may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration involving a franchise purchased in Washington, the arbitration site shall be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration, or as determined by the arbitrator. In the event of a conflict of laws, the provisions of Washington Franchise Investment Protection Act, Chapter 19.100 RCW shall prevail.

A release or waiver of rights executed by a franchisee shall not include rights under the Washington Franchise Investment Protection Act except when executed in connection with a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, rights or remedies under the Act such as a right to a jury trial may not be enforceable.

Transfer fees are collectible to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Franchise Agreement:

CHANGE OF OWNERSHIP

- If Franchisee is proposing to transfer a partial interest in Franchisee and Franchisor has an option to purchase or a right of first refusal with respect to that partial interest, Franchisor may exercise such option or right only if the proposed transferee is not a current owner or family member of a current owner of Franchisee. If the Franchisor's consent is required for any transfer (full or partial), Franchisor will not unreasonably withhold such consent. In the event of an approved transfer of the

franchise interest or any portion thereof, the transferor will not be liable for the actions of the transferee franchisee.

FORCED SALE OF ASSETS

- If Franchisor has the option to purchase the business personal assets upon default or termination of the Franchise Agreement and the parties are unable to agree on the value of the assets, the value will be determined by an appraiser chosen by both parties. If the Franchisee owns the real estate where the franchise location is operating, Franchisee will not be required to sell the real estate upon default or termination, but Franchisee may be required to lease the real estate for the remainder of the franchise term (excluding additional renewals) for fair market value.

COVENANTS

- If the Franchisee owns the real estate where the franchise location is operating, Franchisor may not record against the real estate any restrictions on the use of the property, including any restrictive covenants, branding covenants or environmental use restrictions.

EMPLOYMENT

- Franchisor will not directly control (hire, fire or schedule) Franchisee's employees.

This Addendum automatically terminates on the earlier to occur of the following: (i) the Loan is paid in full; or (ii) SBA no longer has any interest in the Loan.

Except as amended by this Addendum, the Franchise Agreement remains in full force and effect according to its terms.
